

Demolition Derby Rules August 8, 2009

All cars and drivers must be at the track no later than
12:30 PM for

**Inspection, track will open at 8:00 AM. Driver's Meeting
at 1:30 PM.**

Start Time 2:00 PM.

General Rules:

- **ABSOLUTELY NO ALCOHOL ON GROUNDS.** Anyone under the influence of intoxicating beverages or drugs prior to or during the race disqualifies the car and crew of the offending party.
- All drivers **MUST** be 16 years of age and possess a valid driver's license. No one under the age of 16 is allowed in pit area.
- No vulgar signs, pictures or words allowed on car. This is a "family" attended event.
- Only one tow vehicle per derby car in pit area.
- Woodstock Old Home Week or its officials are not responsible for lost or stolen items left unattended at the event.

Driver Rules:

Numbering: Car number must be painted on both front doors minimum of 18"x18".

Glass Removal: All glass including headlights, taillight, and all additional glass must be removed before entering the grounds. **DO NOT BREAK GLASS IN DOORS!**

Interior Preparation: All flammable material except the dashboard and driver's seat must be removed. All airbags and airbag sensors must be disabled. Driver's door **ONLY** may be reinforced.

Body Preparation: No welding body to the frame. Must remain stock appearance. All lights, chrome moldings, and exterior trim must be removed. **NO** standing or roof mounted signs. Driver's door window may not be covered with crash bars or mesh. You may cut up to a 4" hole in the firewall for the gas line and battery cables.

Doors and Trunk: Doors and trunk may be spot welded or chained, 5 on 5 patterns. Ex: Weld 5", leave 5", weld 5", leave 5".

Hood: Hood must be chained.

Tires: Rims **MUST** be stock, no split rims. No fluids or chemicals in tires. Wheel weights must be removed. No solid tires or truck tires. Metal may be cut from around wheels for clearance.

Radiator: Must be in stock position and be filled with water.

Suspension: All ball joints, tire rods, control arms, and steering linkage must remain stock. Stock suspension only in car, gears may be welded.

Bumpers: Bumper styles may not be interchanged must remain front on front, rear on rear. No truck or reinforced bumpers.

Battery: Battery must be located in a box securely bolted to floor; battery must be covered after inspection.

Fuel Tank: Stock fuel tanks must be removed; fuel tank must be mounted in backseat of car. We recommend that you use a marine style fuel tank. All fuel lines must have leak proof fittings and run up middle of car. If car is equipped with electric fuel pump, must have a safety shut off switch mounted on any easy access surface and be painted red.

Frames: No welding of seams on frame or adding any metal to frame. Must be stock frame for that make and model. If the frame is broken you may use 4"x4"x3/8" thick patch one side of break only.
