An information package about the event will be emailed out after the application deadline. Smith's Dance Academy will be teaching the participants a simple dance routine for the event. We will come together for a quick lesson the week before so they can see the routine, and practice before the big night. They will need to wear their new t-shirt and black bottoms for the dance routine. Participants can wear an outfit of their choosing during the interview portion of the event.

The winner of each division will receive a trophy, crown, sash, and flowers. Runners up will receive a crown, sash, and flowers. All other participants will receive a certificate.
